PARTH ENGINEERING

Parth Engineering, Delhi (INDIA) is a qualified Turnkey Engineering Procurement Construction (EPCC) Company specialized in offering complete Electrical, Instrumentation & Automation solution. With seven years of experience, we have made a reliable position by the execution of quality power systems and associated Electrical Instrumentation & Automation contracts as per customer needs.

Founded in 2017 by Mr. Nipun Singla, an Instrumentation Engineering Graduate from SLIET Longowal, Parth Engineering has extensive professional experience in basic and detailed engineering, procurement, planning, construction, and commissioning of various industrial projects.

Since it has been achieving newer heights in worldwide by supplying across India; such as Maharashtra, Gujarat, Bihar, Uttar Pradesh, Andhra Pradesh, Punjab, Haryana, NCR and many more. Some of our main clients include Cheema boilers limited, Saint Gobain Industries India Pvt Ltd., NBCC, JM Infra & Enviro Pvt. Ltd., Icon Controls, Sintex Industries, Electro Control Systems, Jagatjit Industries Limited, Adani Waters, JSPL and Reliance Industries Limited. Highly professional staff and deep subject matter knowledge gives us an edge over our competitors and enable us execute projects within constraints of budget, scope, time, and quality.

Looking to spread our wings even further and grow. Till now we have successfully completed our supplies at locations like Nepal, Bangladesh, Sri Lanka, Nigeria, Mozambique, Norway, France. Our Track Record of delivering products and services to diverse range of countries in Asia, Africa and Europe underscores our reach and commitment to meeting the need of clients on multiple continents.

Our Mission: -

We are highly recognized by our customers for dependable quality, reasonable prices and fast services.

Our aim is to develop ties with mass customers for joint development and ensuring sufficient competitiveness on both prices and services.

We strongly believe on the adage **“A stitch in time saves nine”**.

We are consistently strived to convince and implement the best quality practices from the planning till operation level

We Deals in Supply and Services

- ❖ Electrical and Instrumentation Engineering
- ❖ Erection, Commissioning, O&M
- ❖ Switchgear, Motor, Pumps
- ❖ Sensor, Transmitter, VFD, Analysers
- ❖ Fire & Gas Detectors Supply & Installations
- ❖ Calibration and Parameterization
- ❖ Process Solution and Automation

PARTH ENGINEERING

- ❖ Complete installation, earth testing, relay testing, commissioning of LT, HT switch gears up to 132KV

Ongoing Projects:

STP Plant & Adani Waters: Prayagraj (Uttar Pradesh)

Complete Instrumentation & Automation Installation, Testing & Commissioning work at STP Plant

Recent Projects:

Renew Power: Jaipur (Rajasthan)

Electrical Installation, Testing & Commissioning of complete Solar panel Manufacturing Plant

Red Fort: Delhi (NBCC)

Electrical installation & Commissioning work **NBCC Project** at Red Fort

Sintex Industries Limited: Gujarat

Boiler, ESP, AHS, CHS & Lighting E&I installation & commissioning including DCS work

WTP Plant: Begusarai (Bihar Government Project)

Complete Electrical & Instrumentation Installation, Testing & Commissioning work at WTP Plant, including lighting work of Plant as well as buildings

Electrical Panels & Poles Govt Tender work: Baripada(Orissa)

Sub-contractor for M/s Akanksha Power Infrastructure Pvt. Ltd., installation & commissioning of Electrical Panels

Laxmi Organic Pvt. Ltd.: Mahad (Maharashtra)

Boiler & ESP Electrical & Instrumentation installation & commissioning work including PLC work

Saint Gobain India Pvt Ltd-GYPROC, Jhagadia (Gujarat)

Instrumentation Installation & Commissioning work

Regaal Resources Pvt. Ltd: Thakurganj (Bihar)

200 TPH Starch plant complete supplies of Electrical accessories, E&I Installation & Commissioning work of the complete plant

E & I Material Supply:

We are providing the wide range of Electrical & Instrumentation Equipment, Electrical Panel, VFD Panel, Soft starter, PLC Control panels, HMIs, Switchgear, Sensor, Transmitters, Analysers, Electrical & Instrument Cables, Wires, HT/LT Kits, Lighting Arrestor, Earthing Material, Tools Tackles of certified and most wanted brands in competitive prices.

Quality, durability, and utility are at its best with our range of high-quality customized power cables and control cables. In case of electrical goods, safety is the biggest issue to deal with and we make sure that you are safe with our array of superior quality products

1) Electrical Panels

- a) MCC PCC, Panels
- b) Relay panels
- c) LDB, DB, DP

2) Control System

- d) VFDs (Siemens, ABB, Schneider)
- e) HMI, PLC, DCS (Honeywell, SIEMENS, ABB)

3) Transmitters & Meters

- a) DP, Flow, Level, Pressure Transmitters (ABB, Siemens, Honeywell, Emerson)
- b) I/P Converter, AFR, SOV's (ABB, Rotex)
- c) Thermocouples, RTDs (Tempsens, Baumer, General)
- d) Indicators & Controllers (Level, Pressure, Flow, RPM, Temperature)

4) Panel Accessories

- a) LTDB, DB, DP
- b) Aluminium Die cast/MS Junction Box, LPBS, Polycarbonate Boxes
- c) HT/ LT Kits (Raychem, 3M)
- d) Cable glands PVC, Brass, Nickel plated, SS (Comet, Jainson, ODEN)
- e) Cable Lugs, Copper & Aluminium (Jainson, dowells)

5) Motors & Cables

- a) 3 Phase AC/DC/Servo Motors (ABB, Crompton, Bharat Bijlee, Siemens, Havells)
- b) HT Power Cable (Polycab, Havells, KEI)
- c) LT Power Cable (Polycab, KEI, Havells)
- d) Instrument Signal Armoured Cable (Polycab, Havells, KEI, Revti)
- e) Instrument Multi Pair Armoured Signal Cable
- f) Thermocouple Cable/ OFC Cable& special Cables
- g) HT/LT Joint Kits (Raychem/ 3M)
- h) Push Buttons, NO/NC Elements

PARTH ENGINEERING

6) Cable Trays

- a) GI, Aluminium, Pre-Galvanized, Galvanized Perforated Cable tray in all sizes
- b) GI, Aluminium, Pre-Galvanized, Galvanized Ladder type cable tray in all sizes

7) Earthing Material

- a) Chemical Earthing Electrodes (JEF, ASHLOK, TP)
- b) Earthing Compound, Pit Cover
- c) Earthing Flat Copper & GI, Earthing wire
- d) Lighting Arrestor

8) Switches & Gauges

- a) Level, Pressure, Flow Switches & Gauges (H Guru, Micro, Baumer)
- b) Proximity Switches
- c) Temperature Gauges

9) Lights & Accessories

- a) Housing LED Lights, Fans & Accessories (Bajaj, Philips,)
- b) Industrial LED & Conventional lights with fittings & accessories

10) Mechanical

- a) Orifice, Flow Tube (Delta, GI)
- b) Pneumatic/Motorised valve (KSB, Dembla, Rotex)
- c) Pumps, Valves, NRVs (KSB, Johnson, FM)
- d) Neoprene/SS/MS bellows

11) Meters & Tools

- a) Clamp Meter, Multimeter, Phase Sequence Meter (Meco, Fluke)
- b) Analog & Digital Meters & Indicators
- c) Tool Tackles (Power Tools, Cutting/Grinding Wheels)
- d) Fire/Electrical Safety Equipment (Kanex, Safex)
